14 **10. Meeting Planning Calendar**

17 calendar for 2008 and noted that the March meeting will be held in Dallas and sponsored
18 by Alcatel-Lucent. Ken Biholar of Alcatel-Lucent noted several hotels were near the
19 meeting location and it was easy access from the airport. Chair has information that will
20 be sent to the reflector.

21
22 **Action Item 20071211-AI001: Chair to provide hotel information for Dallas meeting**
23 **to the reflector.**

24
25 Verizon Wireless noted that they do not think having a meeting in Hawaii was reasonable
26 and asked the chair to reconsider the next December meeting. They noted that they may
27 not participate at all if we choose to have meetings in Hawaii. Chair noted that there
28 have been several participants that participated in both the 3GPP2 meetings in the past
29 who wanted to attend both but since several of those people aren't participating now we
30 are happy to reconsider. The committee members present agreed that a Hawaii meeting
31 should not be scheduled for 2008 given the Verizon Wireless concern.

32
33 Marianna from TIA noted that if there is a need for subcommittee meeting on Feb 5-7
34 there will be no rooms at TIA headquarters on that date so we would need to think of
35 another location. It was also noted that the other potential listed date of Feb 12-14
36 conflict with Mobile World Congress.

37
38 Chair then went through contribution **TR47-20071211-006** which was an update on
39 CMSAAC activities related to Wireless Emergency Alert Service functionality. Chair
