MEETING ROOM B – Second Floor

8:00 – Meeting of Entire Committee

8:00 – Roll Call

8:05 – Old Business – Discussion of voting rights and membership dues.

8:15 – Presentation by SpectraSite – Tim Biltz COO, Calvin Payne

- Issues:
1. Site specific wind – can it be used? Site specific is included in G.1, as included in ASCE7. It is not anticipated that site specific wind analysis will significantly reduce the tower size etc. over the otherwise stated wind speed.
 2. Analysis of existing structures – general discussion.
